## **Menu, Pricing & Beverages**

Quality entrée items must be a minimum of \$6.00 or more, and range in price from \$6-12. Final pricing is at the Festival Restaurant Manager's discretion. The Festival sells wine, beer and bottled waters for fundraising proceeds. Restaurants **MAY NOT** sell alcoholic beverages or bottled waters. Restaurants may sell beverages as follows: 20-ounce sodas, lemonades, iced teas, all priced at \$2.00

## **Menu Changes**

The Festival Menu is subject to approval by the Festival, and all menu items may not necessarily be approved. Menus are approved by the Festival on a "first-come" basis. Any "overlap" or "duplication" between Restaurant menus may result in menu changes, also on a "first-come" basis. Any menu changes will be agreed upon between the Restaurant and Festival. Changes in menus or pricing must be approved by the Festival. Once a menu and pricing is approved by the Festival, no changes may be made to the menu or pricing without prior approval of the Festival. A restaurant may not add items during the Festival that are not on the approved menu.
