The 14th Annual Vancouver Wine & Jazz Festival is **August 26, 27, 28, 2011**.

The Festival is Southwest Washington's #1 Cultural Arts Festival and celebrates the best in jazz, fine arts & crafts, wine and great food. It has been called "...*one of the most important jazz festivals on the West Coast...*" (NW Jazz Profile Magazine) and "...*the Vancouver Wine & Jazz Festival is the largest festival of its kind in the Pacific Northwest...*" (KATU Channel 2, Portland, OR). The Festival is currently listed on the National Geographic GeoTourism Map for Washington and Oregon as a major tourist attraction.

The Festival features internationally acclaimed Grammy-winning jazz, blues and pop musicians. Last year's musical lineup was among the best ever, including: Mavis Staples, Brubeck Brothers Quartet, John Hammond, Spyro Gyra, David Sanborn, Stanley Jordan, and the Rippingtons. In addition, the Festival features over 250 wines, 10 local restaurants, and 50 fine artists and crafters. This event is truly first-class and family friendly.

As a RETURNING Commercial Exhibitor, you will have FIRST choice on the location of your booth. In order to provide you with even more visibility, this year we are expanding the locations of our *Northwest Marketplace booths*. Our *Premium Exhibitor booths* will remain in the same locations.

The Festival is an EXCELLENT opportunity for you to promote and market your company — AND to sell your services and products to new customers who value quality.

Whichever Booth option you choose, our goal will be for you to have a great experience. Check out the 2011 Exhibitor Package, Map and Agreement for all the details. If you have questions please call the Festival office at 360-906-0441 or email to: karen@vancouverwinejazz.com.

We're looking forward to this year's Festival...and we hope to see you here!
